Re: EX PARTE – WC Docket No. 02-35: Application by BellSouth for Authorization
to Provide In-Region InterLATA Services in Georgia and Louisiana

Dear Ms. Dortch:

On May 1, 2002, Donna Sorgi, Sherry Lichtenberg and I on behalf of WorldCom, Inc., met with Dorothy Attwood, Jeffrey Carlisle, Michelle Carey and Rich Lerner of the Wireline Competition Bureau to discuss WorldCom's OSS concerns, including change management and testing, line loss reports and progress on single C order implementation, and intraLATA routing issues, related to BellSouth's application in the above listed docket. In particular, we focused on the issues set forth in WorldCom's April 29, 2002 ex parte letter, which was distributed at the meeting.

Pursuant to the Commission's rules, I am filing an electronic copy of this letter and request that it be placed in the record of this proceeding.

Sincerely,

Keith L. Seat
